2009 Grazia, Brunello di Montalcino

14.5%; www.brunellograzia.it

A family run estate located to the west of the town, using fruit from vineyards located at 300 metres. This is soft and quite developed (a sign of the vintage, of course), but ignore the colour and concentrate on the flavours, which have a Pinot Noir like delicacy and sweetness. Nuanced flavours, filigree tannins with balancing acidity. Elisabetta and Giuliana Rubegni have brought new life to this estate in recent years. 2014-18

2008 Grazia Brunello di Montalcino

14.5%; www.brunellograzia.it

This family-owned winery has vineyards at 300 metres, situated just to the southwest of the town. This is reassuringly traditional: light in colour sweet and slightly reduced with complex flavours of tobacco and strawberry and tangy acidity
Drink: 2014-20
